

1995 Merivale Rd., Ottawa, Ontario, K2G 1G1, 613-226-1525

Fuel Truck Service Technician: Fulltime, Day-shift

Are you mechanically inclined and want to learn how to maintain fuel trucks? If so, then Eastway Tank would like to talk to you about joining their team.

Specializing in the manufacture and repair of tank trucks at its facility in Ottawa, Eastway Tank Pump and Meter (Eastway Tank) is a growing business dedicated to providing high quality products to commercial and government customers. The company is well capitalized and is currently in its fifth decade in business.

Eastway Tank has an opening for a full time Service Technician.

Qualifications:

The successful candidate must be mechanically-inclined who can work well independently and as part of a team. The following qualifications are also required:

- Mechanically inclined – heavy truck experience beneficial.
- Familiar with 12V electrical systems.
- Some welding experience is an asset.
- Willingness to do field service calls on the road – occasionally overnight.
- Working from heights and confined space training helpful (we will provide if not current).
- Transportation to and from the workplace (valid driver's license).
- Awareness of Transport Canada and Measurement Canada policies as they pertain to fuel transport trucks beneficial.

Duties:

- Conducting tank inspections.
- Troubleshooting pumping and electrical issues.
- Light duty mechanical and electrical repairs.

We offer:

- Competitive compensation.
- Superior benefit plan.
- An opportunity to work for a stable business with a successful track record dating back to 1968.
