Electrical Systems Installer: Fulltime, Day-shift

Do you have experience installing automobile alarms systems or audio systems? If so, then we would like to talk to you about joining the Eastway team.

Specializing in the manufacture and repair of tank trucks at its facility in Ottawa, Eastway Tank Pump and Meter (Eastway Tank) is a growing business dedicated to providing high quality products to commercial and government customers. The company is very well capitalized and is currently in its fifth decade in business.

Eastway Tank offers its employees an exciting, dynamic work environment, competitive salaries and health and dental benefits.

Eastway Tank has an immediate requirement for a full-time permanent Electrical Specialist who can meet the criteria outlined below.

Qualifications:

The successful candidate must be a mechanically-inclined individual who is a team player but can also work well independently. In addition, the following qualifications are required: One to two years of work experience involving installation of small gauge (e.g. 12V) electrical wiring. Such work on motor vehicles preferred, but residential home alarm system experience also relevant. Computer literacy required. Transportation to and from the workplace (valid driver's license) required.

Duties: The successful candidate will be an integral part of the team and will be responsible with all aspects duties related to electrical systems on vehicles being built or serviced at Eastway Tank. In addition, they will engage in the following duties:

- Troubleshooting issues related to the electrical set-up of vehicles being serviced or built.
- Assembly and installation of electrical and air harnesses.
- Running electrical wiring throughout the vehicle.
- Reading and deciphering wiring schematics associated with builds.
- Using the computer for testing and activation of modules.

We offer:

- Competitive compensation.
- Superior benefit plan.
- An opportunity to work for a stable business with a successful track record dating back to 1968.

All interested applicants should send their resume by email to: aslaughter@eastwaytank.com.
